### MANDATORY DISCLOSURE STATEMENT

ATTN: Drummond Group, LLC  
13359 North Highway 183  
Suite B 406-238  
Austin, TX 78750

February 22, 2016

Organization Name: **Integrated Document Solutions, Inc.**  
Product Name: **AbbaDox® EHR**  
Product Version: **14**  
Product Type: **Complete Ambulatory EHR**

Implementation of AbbaDox EHR v14 may require additional costs and contractual obligations which have been itemized below.

### ADDITIONAL COSTS

Description	Associated Costs
Setup	AbbaDox EHR 14 requires a one-time setup, training and implementation cost.
Support	There is a monthly fee associated with the maintenance and support for the Complete Ambulatory EHR.
Customization	There may be additional costs for customizations made to the product, workflow or reports.
Interfaces	There are one-time fees – per interface, per entity – for data integration services associated with interfacing to third-party systems such as EMR, RIS, billing, scheduling or other practice management systems; reporting to immunization registries, cancer registries, and public health agencies; or interfaces with labs (per lab).
Third-party integrated applications	Third-party vendor software is incorporated and may require annual renewal fees per Covered Entity: <ul style="list-style-type: none"><li>• DrFirst (<a href="http://www.drfirst.com">www.drfirst</a>) for electronic prescribing</li><li>• EMRDirect (<a href="http://www.emrdirect.com">www.emrdirect.com</a>) for Direct messaging</li><li>• Truven Health Analytics (<a href="http://www.truvenhealth.com">www.truvenhealth.com</a>) for educational resources</li></ul>

## CONTRACTUAL OBLIGATIONS and LIMITATIONS

Description	Terms
Contracts	Organizations must sign a service agreement in order to use AbbaDox EHR 14. The duration of the agreement varies depending client/IDS preferences.
Technical or Practical Limitations	AbbaDox EHR 14 is a cloud computing solution that requires access to the Internet. IDS does not provide hardware. In order to send and receive Direct Messages, organizations will need to connect with a HISP.
